RG104 E-1 Box 130

Mint of the United States at Philadelphia, Pa.,

SUPERINTENDENT'S OFFICE,

3: Novem., 1883.

Sir:

From the report of the Assayer of the Mint Bureau, received this morning, upon the weight and fineness of certain Standard Dollars issued from this Mint, it was found that in delivery No. 41, there was one piece 4/10 of a grain above the tolerance for weight.

I desire to call your special attention to this fact, in order that you may instruct the employees under you to be more vigilant in the exercise of their duties.

Very respectfully

L. London Snowden
